

Hello vendors,

In hopes to 2021 settling down a little from last year we are going to go through with this year's Farm, Home, Garden and Sports Show. We know 2020 was a difficult year for many and with saying that, thank you for all of your cooperation last year when we had to make the difficult decision to cancel the show and refund everyone's money. Hopefully you all got your refunds and didn't have too much trouble with that.

I guess in the 2019 follow up letter when we wrote our letter stating "we are working on making next year our best year yet", we jinxed ourselves! We are hoping for a really good turnout this year but completely understand if you aren't comfortable attending!

With this letter I have also sent the application along with the vendor letter for more information and if you have any questions at all please contact any of the ladies below! We look forward to seeing you in a couple months on

THURSDAY, MARCH 25TH, 2021

We aren't giving you much time to think about it as applications need to be sent back to us by **MARCH 5TH!**
